MEASUREMENT AND BILLING:

- (1) The unit of volume for the purpose of measurement shall be by cubic foot.
- (2) The unit of volume for the purpose of billing shall be by therm.
- (3) The number of therms delivered by the District during any month at the point of service shall be determined by multiplying the number of measured cubic feet of natural gas delivered to the customer during said month by the "Unit Total Heating Value" (BTU factor) of each cubic foot and then dividing the total by 100,000.
- (4) Bills for service are adjusted by changes in the cost of purchased gas and all applicable taxes and fees. These costs are in addition to the above stated Base Rates.
- (5) **NOTICES:** To the extent possible, SCUD shall give Customer at least a one hour Notice of Curtailment before a Period of Curtailment begins. A notice of Curtailment may be written or verbal and shall be sufficient when given by SCUD to the person or persons designated by the Customer. A Period of Curtailment shall continue in effect until SCUD notifies Customer that the Period of Curtailment has terminated or until the time specified in the Notice of Curtailment has expired.

Customer will be assessed a \$25.00 penalty per Dkt plus the applicable rate for any unauthorized consumption during a Curtailment Period.

- (6) For purposes of classification, annual usage will be reviewed April of each year.
