Outdoor Equipment DOES NOT qualify. Max rebate is \$1000. Only one rebate per appliance.

All rebated appliances must be Natural Gas. Rebates will be awarded after a **FREE** final installation inspection has passed our inspection department. To receive your rebate you must call our Inspection Department locally at 453-3272 or toll free at 1-888-811-7283 to schedule your free inspection. After making your appointment with our Inspection Department please fill out form, circle rebate you are requesting and send to address below.

New Equipment RebateTypes Awarded
Natural Gas Furnace \$600
Dual Fuel NG Furnace \$300
Natural Gas Water Heater \$300
Cooktop/Range \$100
Wall Heater \$100
Dryer \$100
Logs \$100

Existing Equipment RebateTypes Awarded
Natural Gas Furnace \$300
Dual Fuel NG Furnace \$150
Natural Gas Water Heater \$150
Cooktop/Range \$50
Wall Heater \$50
Dryer \$50
Logs \$50

Rebates that are not applied for within 60 days after the installation are not eligible to receive rebate values.

Your rebate will be processed and mailed to you approximately 30 working days after the final inspection. If you have any questions, please call the Rebate Dept. locally at 865.453.3272 or toll-free at 1.888.811.7283.

DEFINITIONS:

NG: Natural Gas; New Equipment: is NG equipment replacing electric, LP gas, oil, or any other energy source other than natural gas.; Existing Equipment: is NG equipment being replaced with NG equipment.
